

Place Evaluation Workshop

Sample Invitation Flyer

Don't miss the Community Placemaking Workshop
Help make this neighborhood a better place!

When: Wednesday, June 30, 6:00 - 9:00 p.m.

Where: St. Lucy's Church Community Center, 114-116 7th Avenue, Newark
 Enter the Community Center from the alley between the church and community center building.

Why: NJ DOT is working to redesign the Rte. 280 interchange and improve circulation in the area. DOT is not simply seeking an engineering solution, but is looking for a way to involve the community and create an opportunity to enhance streets, traffic, transit, and pedestrian connections in the neighborhood.

How: Participate in the collaborative placemaking process to help create a vision for improving the neighborhood. Come share your opinions, ideas and skills at this public workshop.

Refreshments will be served.

Sponsored by NJ Department of Transportation and conducted by Project for Public Spaces.
